The Song of the Earth

---

### VERSE 1 • THE FLAG AND THE HOME

'I AM' the Light, of the Morning Sky,  
'I AM' the Love, that Will Never Die.  
ONE World Rising, Heart and Home, Under ONE Sun  
We Stand as ONE.

### CHORUS • THE DECLARATION

ONE World SOUL — Born of the Flame,  
Freedom and Peace — Forever the Same.  
Love Is Our Banner, Truth Is Our Call,  
'I AM' — WE ARE — The ONE SOUL of All.

### VERSE 2 • THE PEOPLE AND THE PROMISE

Hands Together, Across Every Land,  
Dreams Unfolding, by Love's Own Hand.  
Voices of Courage, Rivers of Grace,  
Flow Through the Heart of the Human Race.

### CHORUS • THE DECLARATION

ONE World SOUL — Born of the Flame,  
Freedom and Peace — Forever the Same.  
Love Is Our Banner, Truth Is Our Call,  
'I AM' — WE ARE — The ONE SOUL of All.

### BRIDGE • THE VOW OF THE FUTURE

No Wall Shall Bind, No Fear Divide,  
For Light Will Lead, Where Hearts Abide.  
From Mountain Peak, to Ocean Floor,  
The Song of the Earth, Shall Sound No More — of War.

### FINAL CHORUS / CODA • THE BENEDICTION

ONE World SOUL — Born of the Flame,  
Freedom and Peace, Forever the Same.  
Love Is Our Banner, Truth Is Our Call,

'I AM' — WE ARE — The ONE SOUL of All.
