WORKING RESONANCE

Taurus · Faith, Strength & Valor · Mighty Hercules

I · THE ACCOUNT

The Ural Mountains stand as their own entry among the Twelve, distinct from Siberia's Lake Baikal — named clearly in the primary Earth-Keeper list, though as a range rather than a single named peak or town, unlike Arkansas's Pinnacle Mountain.

The strongest independent candidate for a precise site is Arkaim, a remarkable circular Bronze Age settlement in the southern Ural steppe, its layout aligned with striking precision to eighteen astronomical events, and protected today as a national and spiritual shrine of Russia. In the separate Kryon tradition, the Urals appear again as a Null point — a place, in that framework, of quieting rather than transmission.

II · WORKING DISCERNMENT

In Peter's own working discernment, the Urals carry the resonance of Taurus, Faith, Strength, Valor and Power, Mighty Hercules.

Each Sanctuary's fuller unveiling continues. More will be received, and added here, as it comes.
